# CORPORATE SPONSORSHIP

## ABOUT CORPORATE SPONSORSHIPS

Corporate sponsorship of the Association is solely a marketing relationship. In exchange for annual financial sponsorship, the Association provides Minnesota charter schools with information about the corporate sponsor and its products or services.

## BECOME AN ANNUAL CORPORATE SPONSOR

Go to [www.mncharterschools.org](http://www.mncharterschools.org), click "Join Us" and "Corporate Sponsorship" and fill out the provided form. Upon receipt of your application, the Association will complete a due diligence review. Upon approval, an invoice will be sent.
